En bref

> Langues d’enseignement: Anglais
> Forme d’enseignement : Travaux dirigés

Présentation

Objectifs

This module will enable the student to continue their second language within the semester via the Annecy site Language Centre evening classes. The students will have to combine their technical and linguistic knowledge in an intercultural project.

Heures d’enseignement

French as a foreign language - TD
Travaux Dirigés 20h

Pré-requis nécessaires

Ideally, the student should have already studied the second language for several years and attained a minimum of A2. However, a beginner level in some languages is possible, but with the module content takes this into account.

Compétences visées

On completion of the module, the student is expected to be able to:

L01: Attain the CEFR level expected, according to the level of class the student joins
L02: Be aware of and be sensitive to intercultural issues when presenting a project in a language other than his/her own
L03: Express themselves coherently in Know how to map a process
L04: Understand the issues when working with people from the countries of the language studied
